Dear Mr. Daniels:

This letter is to notify the Division of Oil, Gas, and Mining that Atlas Minerals intends to begin pre-mining activity in the form of access road work and exploratory long-hole drilling at the Windfall Mine.

Surface disturbance will be limited to improvement of an existing access road in section 22, T31S, R24E. Activity at the abandoned Windfall Mine site will be limited to cleanup and an equipment set-up necessary for underground exploratory drilling. All disturbances will be limited to Atlas Minerals, Division of Atlas Corporation owned mining claims located on Public Domain.

At this time a Notice of Intent for mining and a Reclamation Plan is being developed. These completed forms and plan will address reclamation of the above mentioned activity as well as all proposed mining activity.

Thank you.

Sincerely,
